

Fire Hose Cabinet

HEBA provides a wide range of effective stainless steel Cabinets.

Heba provides high performance **STAINLESS STEEL HOSE RACK AND FIRE EXTINGUISHER CABENTS** in Recessed or Surface Mounted design.

All Fire Hose Cabinet as well as sheet-made parts are:

Constructed from 1.2 mm Stainless Steel Sheet with all round folded edges, even Hose Reel edges are curled to assure the safe handling. **Heba Fire Hose Cabinets** are fabricated with Tungsten Metal Inert Gas Welding Process.

Fire Hose cabinets are available in two types of Stainless Steel finish:

- **Hair line finish**
- **Mirror finish**

Heba can provide Stainless Steel Cabinet with manual or automatic Rubber Hose Reel or Rack synthetic hose.

HEBA is not only manufacturing your design, but also makes your dreams come true.

Hose reels have been **hydrostatically** tested to 40 bar pressure for leaks. High level quality control standards are implemented to get quality products.

FIRE HOSE
CABINET
